Truth Matters

Proverbs 16:20-25; 30:1-6

The Point: Truth does not reside in our own opinions and reasoning.

The Bible Meets Life: On December 26, 2004, one of the largest and most powerful earthquakes ever recorded occurred off the coast of the Indonesian island of Sumatra. This powerful earthquake generated the largest and most deadly tsunami in modern times. The tsunami killed nearly 230,000 people, displaced 1.7 million, and caused more than 13 billion dollars in damage. The earthquake and the tsunami it created devastated entire coastal areas, completely changing the landscape and economies of many Indonesian communities.

In recent decades, we've experienced a massive social earthquake of relativism and now face a rising and deadly tsunami of popular opinions, personal beliefs, and ever-changing philosophies. It's easy to forget there is such a thing as absolute, unchanging truth in all this chaos. In our passages today, the biblical writers remind us that truth isn't found in human reasoning or opinion polls but in God's eternal and unchanging Word.

Live It Out: Accept and embrace the truth as the foundation for your life. If you've not yet accepted Christ, this is the first step to discovering truth and experiencing freedom. Apply the truth to every area of your life. Commit to bringing every thought and decision in line with God's truth, letting it guide your interactions, relationships, and personal choices. Make a list of truths you can apply this week. Affirm the truth with confidence and courage. Live it out boldly and confidently, trusting in God's promises and protection. Find someone in your neighborhood or at work with whom you can share this message of truth.
